

Parade & Dedication For Comfort Area

THIS IS A VIEW of the new installation at the corner of Lake and Main Sts. in Antioch.

COLOR GUARDS of the Antioch VFW and American Legion stood at attention, and the McHenry Drum & Bugle Corps played the National Anthem as the flag was raised to the top of the new flag pole at dedication ceremonies for the comfort area at the corner of Lake & Main Sts. in Antioch.

The Antioch Chamber of Commerce held dedication ceremonies for the comfort area it has built at the corner of Lake and Main streets last Saturday, after a parade to honor the new "beauty spot."

Mayor Ray Toft, congratulating President Dick Miller and the members of the Chamber on the improvement to the corner, remarked that their action in beautifying the corner indicated the interest of the Chamber in improving the town.

The parade that preceded the dedication ceremonies included the McHenry Drum &

Bugle Corps, the Bristol Farmers Band, a color guard of VFW and American Legion representatives, and a motorcycle squad made up of Lake County Shriners. A Chrysler turbine car in the parade excited the interest of many. Earl Stringer, local Dodge dealer, estimated that 3,000 to 4,000 people viewed the car during the day.

Among the many cars in the parade sponsored by local merchants, one co-sponsored by Gibbs & Jensen and Erickson's Sewing Center drew a chuckle from the crowd. It was driven by a "deer," with the bodies of

two "men" draped over the front fenders.

Queen Linda Brown, the Jaycees 1965 Beauty Queen, participated in the parade and in the dedication ceremonies.

The short dedication ceremony included the raising of an American flag on the new flagpole erected near the Chamber of Commerce headquarters.

Plans for the huge planter which dresses up the corner include a lighted Christmas tree at Christmas, and seasonal flowers throughout the summer, according to President Dick Miller.

Have A Safe Labor Day

This weekend thousands of area persons will take to the water for a final summer fling. Many of them will drown in swimming and boating accidents. Don't be among this group. Make the Labor Day weekend a memorable one by playing it safe and remaining safe. The Red Cross recommends the following lifesaving tips for a happy Labor Day holiday.

1. Always swim with a companion—never alone. For long distance swimming, have someone in a boat accompany you.

2. Swim in a safe place where there are lifeguards. Know the area. Before diving, make sure the water is deep enough and there are no hidden objects such as submerged rocks.

3. Recognize your limitations and don't try to go beyond them.

4. Wait at least an hour after eating before going in the water, and don't try to swim when overheated or overtired.

5. Don't depend on a tub or inflated toy to hold you up. They can slip away from you.

6. Watch your step. Walk, don't run, around the pool deck.

7. Try to remain calm in case of trouble in the water. Assume a face-up floating position, keep your hands under water, and slowly move hands and feet.

8. When boating, always wear a Coast Guard approved lifejacket, even if you're an expert swimmer.

9. If your boat capsizes,

Squad Offers 1st Aid Course

The Antioch Rescue Squad announced this week that they will sponsor a Red Cross approved First Aid training session beginning Thursday, September 16.

The course will run for five consecutive weeks and will cover all the standard phases of the first course in first aid.

Dan Dugenske will serve as instructor and will be assisted by various members of the squad. The first session is scheduled to start at 7 p.m. Sept. 16, at the Rescue Squad building.

The course is open to any interested party and further information may be obtained by calling 395-1111 or from squad members.

If enough interest is generated the squad will offer an advanced course in first aid following the completion of the standard class.

Emmons School Opens Sept. 7

Superintendent T. Barlow has announced that the Emmons Grade School District 33 will open September 7 at 9 a.m.

Bus pickup will be the same as last year's schedule, starting at about 8:34 a.m. The first day of classes will close at 12 noon. Teachers will attend a workshop during the afternoon.

Bus transportation will be provided.

Don't swim away from it. Most small craft will float, even when filled with water.

Re-Map Of Senate Dists. Completed

State Treasurer William J. Scott hailed the Court action which produced a new reapportionment map for the Illinois State Senate as a "tremendous victory for all the people of Illinois—not any political party."

The Senatorial remap was made by the Illinois Supreme Court and a three-judge federal panel. "The Court's action enables Illinois to avoid a costly and chaotic at-large election of the State Senate next year," Scott said.

Under the new districting, northeastern Lake county would make up Senate District 31. It would include the townships of Antioch, Newport, Benton, Zion, Lake Villa, Warren, Waukegan, Libertyville and Shields. The remainder of Lake County and a portion of McHenry District.

Scott acknowledged that with the proper candidates and support, the Republicans would retain control of the Senate.

Charged With Possession of Drugs

Josephine Lucas, 31, of Rt. 3, Box 80, Antioch, was charged with possession of narcotics Monday.

She was arrested on August 21 at Slide Inn at Chandler Lake for disorderly conduct. Deputies said she had given a bottle of capsules, later identified as "red devils," to another woman.

Golf Tourney To Help Rescue Squad

Wednesday, September 8, is the day—the day of the golf tournament and outing for the benefit of the Antioch Rescue Squad.

Big John Teresi of Teresi Chevy-Olds is sponsoring the affair. In addition to a full day and evening of golf, lunch and dinner, golfers will have a chance to win a new Chevrolet Bel Air from Teresi.

Big John is offering the new car to any golfer who makes a hole in one on a pre-designated hole. He's promised as many new cars as there are holes in one and many a local club swinger has spent hours sharpening up his game for the big prize.

The tournament will be held on George Diamond's private course. Those who

don't play golf may attend the dinner in the evening and listen to the tales of woe and joy from the crew who have chased the little white ball through eighteen holes.

Golfers may tee off whenever they wish. All proceeds of the tournament go to support the Antioch Rescue Squad, a non-profit organization. Further information may be obtained by inquiring at the Antioch News, the First National Bank, State Bank of Antioch, John Teresi's Chevy-Olds and Rescue Squad members.

Baby Risch Born In Squad Truck

Thomas Michael Risch, the new-born son of Mr. and Mrs. Gerald Risch, Rt. 1, Box 624, Antioch, can claim a certain spot beside the highway between Antioch and Waukegan as his place of birth. Thomas wouldn't wait for the conventional hospital atmosphere to make his debut into the world last Wednesday. He was born in the Antioch Rescue Squad truck as they lost their race to get his mother to the hospital in time.

Mrs. Risch was being taken to the hospital by the Squad at the request of Dr. Abderholden, who suspected Thomas's imminent arrival. When it became evident they'd lost the race, the squad truck pulled to the side of the road and Dr. Abderholden delivered the 7½ pound baby boy. They then proceeded to Victory Memorial Hospital.

Mother and son are now home and doing fine.

Rescue Squad Calls For Last Week

Antioch Rescue Squad calls for the past week included the following:

August 25, Karen Barkulas, 6 years old, of Warner's subdivision, taken to clinic with laceration on upper right arm.

August 26, Carol Neilsen, 5, of 1077 Hillside, taken to Victory Memorial hospital with possible concussion from fall.

August 27, Harry Moore, 76, Rte. 4, Box 538, taken to Victory Memorial Hospital with abdominal pains.

August 27, Mrs. Helen Trempe, Rt. 2, Box 447, taken to Victory Memorial Hospital.

August 28, Harvey Cunningham, 53, 94 Oakwood Drive, taken to St. Therese Hospital with possible heart attack.

The squad was called to the scene of an accident on Route 173 at Oak Point State Park on August 29. A car collided with a boat on a trailer being towed by a car. No one was injured.

Sylvia and Martin Furlan, Rte. 2, Box 138, Antioch, were taken to the clinic, then to Victory Memorial Hospital on August 30 when their car overturned on Rte. 173 west of Antioch. Mr. Furlan sustained lacerations and a possible fractured shoulder; Mrs. Furlan had cuts on the face.

Furlan said he lost control of the car when he tried to avoid a car that came into his lane.

John Prohaska, Rt. 1, Box 216, was taken to Condel Memorial Hospital on August 31 with pneumonia.

PARENTS OF SON

Mr. and Mrs. Kenneth Rentner, 394 First Street, are the parents of an eleven-pound son, born Friday, Aug. 27 at Victory Memorial Hospital, Waukegan. The little boy has been named Robert. Mrs. Rentner and son came home Tuesday.

Break-In At Gas Station, Nearby Shop

Stall's Sinclair Service Station on Route 173 west of Antioch, and Wilson's Upholstery shop, a short distance west of the service station, were broken into last Wednesday night.

Roger Stall, owner of the station, said the front door was broken open. The intruders garnered about \$8.00 for their efforts, he said.

Harold Wilson said nothing of value was taken in the break-in at his upholstery shop. "They just cost us a lot of hard work," he said. "All our records, cancelled checks and so forth were dumped out and piled in a heap. We'll have to spend the winter months sorting them out."

Wilson said the intruders broke open the back door.

Clean Des Plaines For Flood Control

Plans and specifications for cleaning a portion of the channel of the Des Plaines River have been completed. Robert W. Depke, chairman of the Public Works committee has announced. It is expected that contracts for the work will be awarded by the County Board at its September meeting.

The work involved will include the removal of some trees, brush and debris which may be obstructing the flow of the river. The contract requires that all work of removing and trimming trees will be performed under the

general supervision of a tree surgeon licensed by the state of Illinois.

The Public Works Department pointed out that although clearing the river channel is expected to be of some benefit in flood control, the Public Works committee has set as its objective the development of adequate flood control legislation to be introduced in the 1967 session of the Illinois legislature.

The work involved in the contracts is between Buckley Road and a river ford located on Red Top farm about one

(continued on page 3)

G. L. School Opens Without New Rooms

Grass Lake School, where work on a new addition is going forward, will open September 7 still confined to the old school building.

Completion of the new addition is expected by January 1, 1966, says John Schockmel, the new principal. "If all goes well," he adds.

The addition consists of four new classrooms, a gymnasium, and a small room which will be used for a counseling, library and utility room. The gym will include a stage, locker room and showers. There will be two new washrooms with the classrooms.

The 235 to 240 pupils expected at Grass Lake School this year will be housed in the present school. The kindergarten class will be housed in the old school building until the addition is completed. This is the first year the school last year had kindergarten.

The school last year has 200 pupils. The increase in registration, says Mr. Schockmel, is due to a combination of the addition of the kindergarten class and new residents who have moved into the community.

Ames Brothers of Waukegan are the contractors building the addition. Hal Chalmers of Grayslake is the

architect. The school will have nine teachers and the principal this year. Principal Schockmel will teach physical education.

Physical Education classes for the fifth grade through the eighth grade will start immediately with the opening of school, says Schockmel, with the classes held outdoors as previously. "It will be a problem until the new gym is completed," he said. "When cold weather comes, I guess they'll just bundle up for the outside class."

P. E. for the lower grades will start when the gym is completed, Schockmel said.

Four new teachers are being employed at the school, in addition to the new principal. They are Carl Sikes, teaching Mathematics, Science and Language to the 7th and 8th grades; Mrs. Nancy Brunner, third grade teacher; Mrs. Coral Griffiths, 1st grade, and Mrs. Sue Garland, Kindergarten.

A Teacher's Workshop will be held Thursday at the school. Registration will be September 7, with school open from 8:30 a.m. to 11 a.m.

An Open House will be held at the school when the addition is completed.

MAYOR RAY TOFT congratulates Richard Miller, president of the Antioch Chamber of Commerce, on the completion of the comfort area.

Congo Crisis Methodist Film

Chicago—A half hour documentary film, "Crisis, Congo—15 Million People Search for a Nation," has been scheduled by Station WREX-TV, Channel 13, Rockford, on Sunday, September 5, at 3:30 p.m.

In an attempt to reach beneath the headline image, the film was made in the Congo this spring by the Methodist Television, Radio and Film Commission (TRAFICO).

"It tries to find the real people and objectively reports their work, problems, needs and hopes," said Nelson Price of Nashville, TRAFICO television director. The role women are playing in this emerging nation is dramatically revealed. It is vastly different from that of the American club woman.

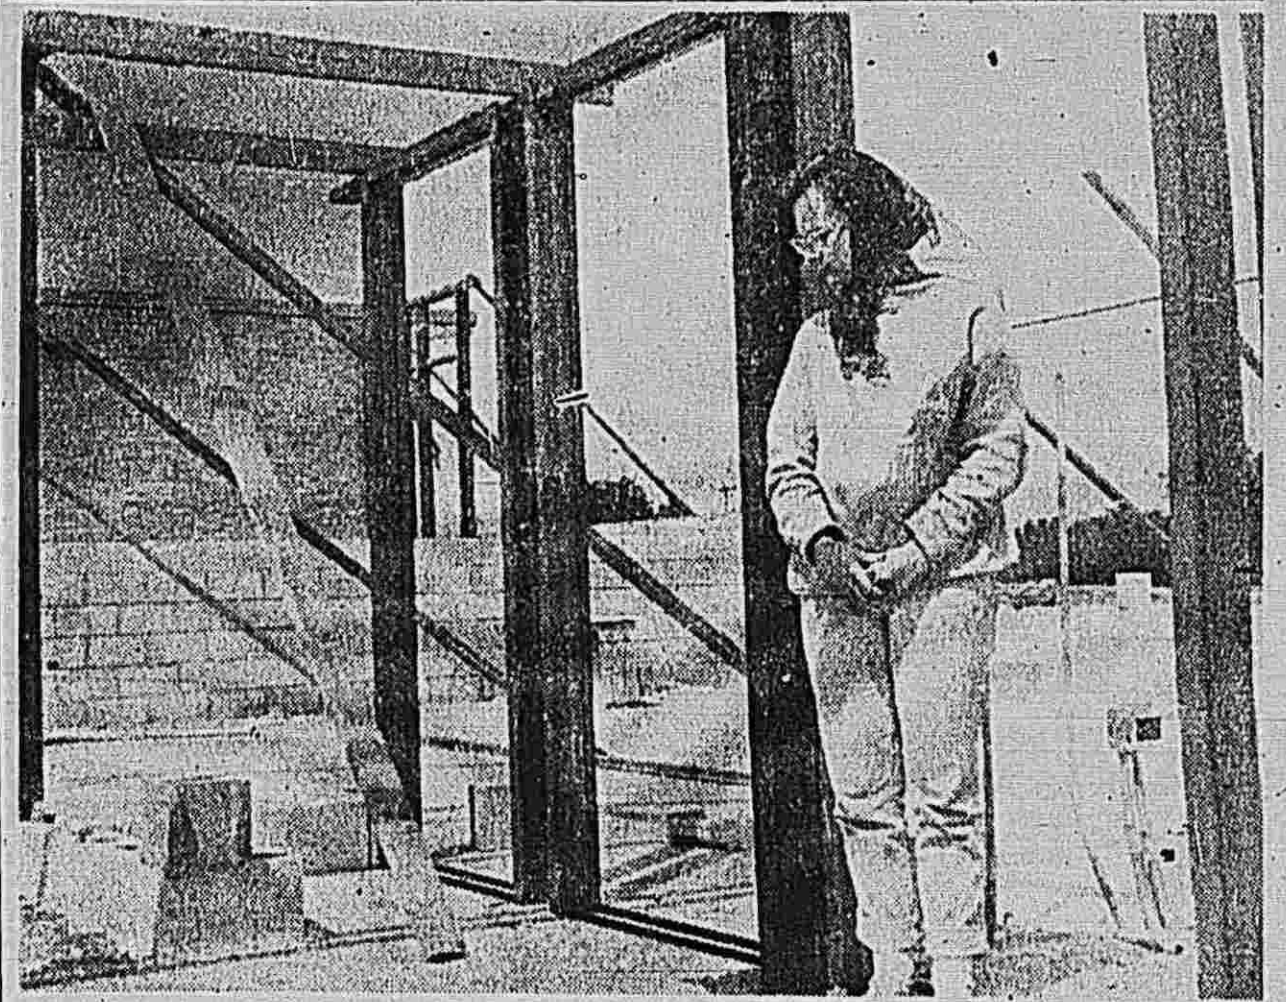

Included in the interviews is Prime Minister Tschombe, product of a Methodist Mission School. Lowell Thomas is the narrator.

Bishop Thomas M. Pryor of the Rock River Conference of the Methodist Church, will visit the Congo during September. It will be part of his itinerary on a 9-week visit to Methodist projects in Africa. He leaves Chicago Sept. 7 and returns Nov. 9.

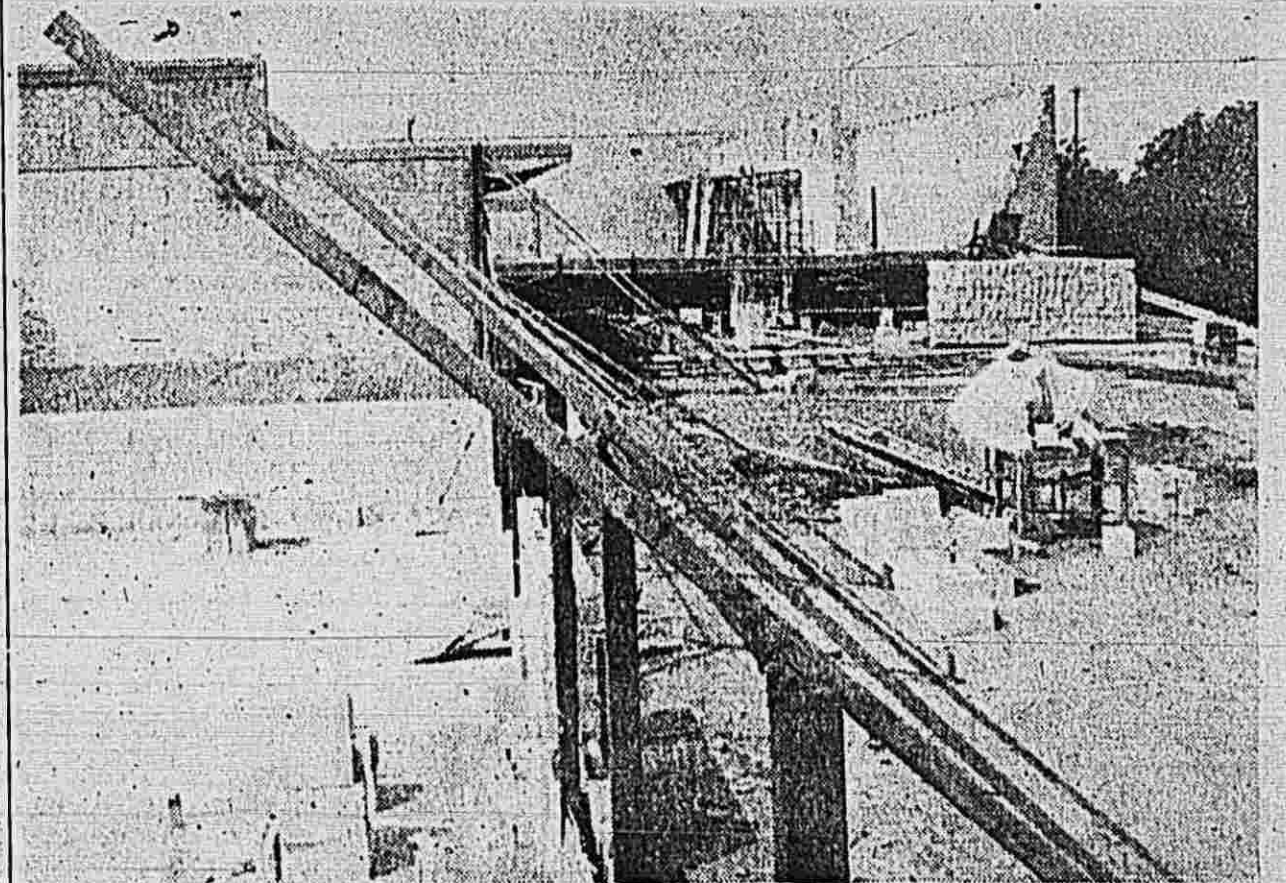

ACHS Band Gets First Place Rating

The Antioch High School Band, for the tenth year in a row, has received a first place rating in the Class A division at the Illinois State Fair.

The Band and High School Choir had spent a week in Music Camp on Lake Blomington before going to the Fair. The band was under the direction of Joseph Rush. The choir was directed by Ralph Brooke.

ELLEN GASTON doesn't look very impressed with the addition being built on the school near her home. Ellen graduated from Grass Lake School, now attends Antioch High School.

WITH SCHOOL opening next week, the building of the addition at Grass Lake School is going forward.

Labor's Holiday

Next Monday is Labor Day, a day that has come to mean the end of the summer holidays, back to school, a long week-end, and the next holiday will be Thanksgiving.

We have Peter J. McGuire, the founder of the Carpenters' Union and a co-founder of the American Federation of Labor, to thank for the holiday. McGuire recommended that one day in the year be designated as "Labor Day" on May 8, 1882.

He suggested that the first Monday in September would be most appropriate for the labor holiday because "it would come at the most pleasant season of the year, midway between the Fourth of July and Thanksgiving."

The first Labor Day—Tuesday, Sept. 5, 1882—was celebrated by the Central Labor Union with labor demonstrations and a picnic in New York City.

Two years later, the first Monday in September was selected as the labor holiday. The idea spread with the growth of labor organizations. A street parade and a picnic continued to be the formal observance of the holiday.

The first state to officially recognize Labor Day was Oregon. Congress declared Labor Day a legal holiday on June 28, 1894.

The parade and mass picnics of the early days disappeared. The struggling unions have become a powerful force in the nation. With their immense power has come the taint of corruption, and many of their most powerful leaders are suspected of being more dedicated to increasing their own wealth and power than to furthering the cause of the workingman.

In spite of a few bad leaders, the American workingman enjoys a standard of living unmatched in any nation of the world. And the long end-of summer week-end holiday is frosting on the cake now, not a chance to assert his rights.

By Pearl Kapell

A friend was bemoaning the lack of craftsmanship in these times. 'Tis sad but true, modern efficiency and production quotas have done away with the craftsman. And this leads to a thought—what will be preserved from this generation?

Old cars, built to last, are being rebuilt and refurbished. They've become collector's items.

Old furniture, solidly built to last a lifetime, is refinished and treasured. Will any of today's assembly-line products be preserved?

Will all the articles that serve this generation disappear as completely as the people who made them? Will the only souvenirs of this generation be comic books, stamps and matchbook covers?

Letters to the Editor

Antioch News, Inc.

To Whom It May Concern:

In your last week's Shopper's Guide you had an article on poison ivy. I am writing this to contradict the statement of poison ivy not spreading and not being contagious, that you stated.

A couple of weeks ago my next door neighbor got poison ivy. He only got it on a small spot on his arms. As you know it itches, so he scratched it and from scratching the affected area and touching an unaffected area of his body he received it on various other unaffected parts of his body. This

would mean that poison ivy does spread.

Also when you've got poison ivy it goes through a stage of draining and appearing as open sores. If another person would touch the open sores while they are draining, of a person with poison ivy, and in turn touch his body he will get poison ivy. This states the fact that poison ivy is contagious.

Sincerely yours,

Donna Yopp

"An Antioch News Reader"

Rte. 1, Box 532, Antioch

To the Editor:

My reading the evening of August 23 presented some interesting contrasts. The front page story carried by the Waukegan News-Sun—"Courthouse Bill Cheered, May Thwart Obstructionists"

revealed the contempt with which public officials and the powerful interests of the county view the wishes of the people whose financial support makes their existence possible. The article gloated that, with the enlistment of the aid of other politicians—the legislators and the Governor, (who should be reminded that they also are our welfare charges) H.B. 1084 was passed. With this bill the County Board of Supervisors is given the legal right to "construct a new courthouse—and provide for the levy and collection of a direct annual tax upon all the taxable property in the county. The tax may be levied without referendum."

Our supervisors will take great pains to assure us, as they levy this "back-door" extortion, that they are "working in the public interest."

Leonard Read writing in the August Freeman, analyzes this public depravity in an article "On Power and Corruption." He discussed "Our 'Best Citizens' whose lack of principle is clearly revealed when they encourage the government to rob countless unidentified Peters to subsidize their own selected Pauls." He says, "It is hard to believe that a man knows

ALONG THE WAY with Annie Mae

Hi ho! Hi ho! It's back to school they go. Yep, now Mom starts to think about the hours between 9 and 4 when she will be all alone! Naturally she will miss her lively offspring, but Oh will she enjoy some of the time to do the things that are impossible when the house is bulging with little folks and the neighbors.

THE LATEST REPORT: We understand that Jim Fields and Mike Haley of the Antioch Rescue Squad, lost their first race with the stork last week. . . . Here we are with a scarlet face again, it was a case of mistaken identity last week, not Myrus Nelson at all! Did the only thing I could do, made an appointment with the optometrist!

what is right when he persists in practicing the opposite."

Then he makes this charge: "Every party to an unprincipled act of government is as personally responsible, as if he had done the deed himself. Mere legality does not confer moral absolution; legally merely confers penal absolution and may be but a cover for gross corruption."

I recommend Mr. Read's article in its entirety to all members of our government, our opinion makers among newsmen, our business and educational leaders. Perhaps they do not realize that their action (or inaction) is slowly destroying the hard-working, self-supporting, responsible, law-abiding, tax-paying middle class, on whose survival depends their own. Further selected reading might include, "The Goose That Laid the Golden Egg."

Imogene Cashmore

Courthouse Notebook

BY LOU DURKIN

The recent re-map of state senate districts concocted by a panel of Illinois Supreme Court and Federal judges just goes to show what can be accomplished when judicial temperament and objectivity are substituted for political pressure and political expediency.

Since members of the judiciary are above the taint of politics we can assume that all districts were created and boundaries drawn with properly balanced representation the sole criteria.

The fact that some districts present weird shapes and place communities widely separated geographically as well as economically and socially in the same district should not lead anyone to suspect that here and there political considerations were involved.

Certainly political considerations played no part in the creation of the two Lake County districts which put Highland Park and Highland in the same senate district as Hebron, Richmond, Harvard and other highly urbanized McHenry County areas.

Official census figures had to be the only consideration in creating a district like this.

There are those who might see in the new alignment a lightly disguised effort to keep former State Rep. W. J. Murphy, of Antioch, on the sidelines, since it is unlikely that he would want to match his political muscle against State Senator Robert E. Coulson, of Waukegan.

If Antioch and Lake Villa Townships had been aligned with the McHenry County townships Murphy would certainly have been a strong contender for the state senate.

Certainly State Treasurer William Scott, who was a key factor in the court-created re-map, would not be a party to any plan that would tend to thwart the political aspirations of the former House Majority Leader.

There is hope for a re-apportionment of the House Districts now that the Senate has been re-aligned, but only if a close study shows a strong likelihood of Democratic domination of that chamber.

Open meetings of the Re-apportionment Commission

might have an inspiring effect on the commissioners and force them into reaching an agreement, but the feeling persists that a commission including the top party men in the state from each major political party is going to have difficulty reaching agreement.

If the commission fails to reach agreement it will be interesting to see how many "blue ribbon" legislators are re-elected.

Dissatisfaction with the "Don't rock the boat" philosophy of some of the Democratic Party leaders in Lake County has been expressed by Mark Turner, Antioch precinct committeeman.

Turner, who has been active in Democratic circles for many years, feels his party should be more aggressive in calling attention to shortcomings of Republican office holders in the county government.

He seems to feel the Democrats should try to win some local offices and that the best way to accomplish this is to hold the party in power accountable for its stewardship.

This would, of course, extend to the non-partisan county board.

Turner's attitude just might be an indication that he intends to seek the chairmanship of the Democratic Central Committee after the next primary election.

Football may be sneaking into the spotlight, but for the political set the sports spotlight is still confined to golf with three major political outings scheduled on area courses in the coming weeks.

First on the agenda is the annual Lake County Republican Central Committee outing which Chairman Bob Milton has switched to the Long Grove Country Club this year.

Milton has also switched the date for the annual event slated for Monday, Sept. 13, a departure from the regular Wednesday outings.

Tickets are available at GOP headquarters across from the courthouse or from most precinct committeemen and officeholders.

Favorite sons come in for the testimonial treatment later with Joe Welch Day in Cuba Township and Sheriff Charles Larson Day in Antioch in October.

Bus Schedules For Antioch Grade School

School buses will begin operation starting the first day of school, Tuesday, September 7, 1965, picking up children eligible for bus transportation in the morning and returning them to their homes before noon after completing a morning of registration.

After attending a luncheon in the school officials, on opening day, teachers will participate in an afternoon workshop. The afternoon program will be devoted to the study of methods used for the improvement of mathematics in the elementary schools. Joseph P. Cech, State Mathematics Consultant, will be in charge of this part of the opening day program.

School officials again urge that new pupils and kindergarten children be registered before the first day of school. Registration for the Antioch kindergarten will be done in two shifts. Those living outside the village will register in the morning and attend the morning session from 8:45 a.m. to 11:15 a.m. Those living within the village will register after 1:15 p.m.

Starting September 8, the regular afternoon kindergarten class will be from 12:30 p.m. to 3:00 p.m.

Kindergarten children attending the Oakland building will register in the morning and afternoon sessions will start on September 8.

Parents may take their kindergarten children home immediately after registering them on the first day.

The kindergarten fee for the year will be \$7.50 payable at the time of registering. Book rental fees are as follows:

Grades 1 through 4\$3.00
Grades 5 through 8 4.00
School Insurance 2.50
September lunch 4.25
September milk34

THE ANTIOCH NEWS THURSDAY, SEPTEMBER 2, 1965

FLOOD CONTROL

(continued from page 1)
mile north of the E.J. & E.
Highway bridge over the Des
Plaines River.

John Morris of the Public
Works Department said two
contracts are being let, in-
volving about three and
three-tenths miles of river
bed, because the Department
is not sure of the cost of the
project. The work was pre-
viously O.K'd by the County
Board, and a sum appropri-
ated to clean the river. The
Board later, by resolution,
designated the Public Works
department to handle the
job. Public Works hopes to
clean out more of the river
next year.

It is expected that the
North Libertyville Estates
area will be particularly
benefitted by the work.

Two preliminary engineer-
ing studies have been com-
pleted, either of which could
form the basis for legislation
authorizing the Department
of Public Works and Build-
ings of the State of Illinois
to make flood control im-
provements. One was pro-
posed by the Illinois Division
of Waterways and the other
by the Cook County Forest
Preserve District. Rep. John
Conolly has indicated that he
is willing to sponsor legisla-
tion for flood control projects
on the DesPlaines River.

To begin development of
adequate legislation the Pub-
lic Works Committee will re-
quest the Public Works su-
perintendent to arrange a
meeting involving officials of
the U. S. Corps of Engineers,
Ill. Division of Waterways,
Sanitary District of Greater
Chicago, Cook County Forest
Preserve, Northeastern Ill.
Planning Commission and ap-
propriate Lake County agen-
cies for the purpose of de-
veloping a suitable flood
control plan for the Des
Plaines River.

Schools Start Full Schedule Sept. 7

Back-to-school activities
start the end of this week,
with regular school hours
starting in most schools on
September 7, the day after
Labor Day.

Antioch High School ex-
pects about 980 pupils to re-
port to the school Thursday
and Friday, September 2 and
3, to get their class sched-
ules and pay book fees.

Freshman students will re-
port to the Boys' gymnasium
Thursday, Sept. 2, from 1:30
to 3 p.m. Upper classmen re-
port Friday, Sept. 3, on the
following schedule: Sopho-
mores, 8:30 to 10 a.m.; Jun-
iors, 10 a.m. to 11:30 a.m.,
and seniors from 1:30 to 2:30
p.m.

Freshman students will re-
port Friday, Sept. 3, for a
full-class schedule. All other
classes will have their first
full day on Tuesday, Sept. 7.
Students will report to the
Antioch Grade School and
Oakland School on Tuesday,
Sept. 7, for a half-day, from
8:45 a.m. to 10:30 a.m.

New Law Effects

Birth Certificates

Any applicant for a birth
or death certificate must now
submit \$2 for the initial
search fee, according to legis-
lation passed by the 74th
General Assembly and signed
into law by Gov. Otto Kerner
on August 2.

Formerly the search fee
was \$1.
This fee also entitled the
applicant to one copy of the
certificate if the record is
found.

Additional copies may be
had for \$1 each.
Applications may be di-
rected to the county clerk,
local registrar or the Bureau
of Statistics, Illinois Depart-
ment of Public Health.

"School's Open" Safety Campaign

With the approach of an-
other School year, Gov. Otto
Kerner has joined with Ger-
ald W. Cavanagh, president
of the Chicago Motor Club,
in stressing the need for
added alertness and responsi-
bility on the part of all
motorists in Illinois.

More than one million
school children in Illinois
will return to classes during
a two-week period starting
August 30. Motorists will
need to remember to drive
more carefully than usual in
school zones.

Gov. Kerner reminded
drivers that the excitement
of returning to school will
make some youngsters for-
getful of safety habits. For
many, also, it will be their
first day at school. Some of

these younger children will
be careless crossing streets
and playing on their way to
and from school.

Parents, Cavanagh said,
should impress on their
youngsters the importance of
being cautious.

As part of its annual
"School's Open" safety pro-
gram, the Chicago Motor
Club has mailed thousands of
traffic safety posters to
school and municipal officials
in the club's territory in Illi-
nois.

This is the 18th consecu-
tive year in which the Chi-
cago Motor Club and state
and local officials have
worked together in the
"School's Open" safety pro-
gram.

Topics for Today's Women

Mr. and Mrs. John Elliott Harpham

Roberta Mae Sexauer Bride Of John E. Harpham

Christ Episcopal Church of Meadville, Pa., was the scene of the wedding of Miss Roberta Mae Sexauer and John Elliott Harpham on Saturday afternoon, August 14, at 3:30.

The bride is the daughter

of Mr. and Mrs. Loren D. Sexauer, Jr., of Meadville and the groom is the son of Mr. and Mrs. John W. Harpham of Park Ridge, Illinois. The Rev. Fr. Robert H. Moore, pastor, performed the double ring ceremony. Musical selections were "Song of Ruth" and "The Lord's Prayer." Soloist, Kip Welton, accompanied by Mrs. Gordon Miller at the organ.

Escorted by her father, the bride was attended by Miss Charlotte Erdman of Greencastle, Ind., as maid of honor and Miss Kathleen Seales of Milwaukee, Wis., as bridesmaid. Serving as junior bridesmaids were the Misses Patricia and Susan Sexauer, sisters of the bride, and the Misses Joni and Janet Harpham, sisters of the groom.

Mr. Harpham chose his brother, Geoffrey Harpham as his best man. Guests were ushered by Paul and Larry Sexauer, brothers of the bride, John Gamble and Sandy Babcock.

The bride's gown, fashioned in satin faced pure silk organza, was designed with simulated bolero high rise bodice of Alencon lace, scoop neckline and elbow length sleeves accented with a flounce. The A-line floor length skirt featured a chapel train. She wore a mantilla of imported Belgian

Receives Degree From DeVries

Dennis Apostolou, 20, of Rt. 1, Box 188, Lake Villa, recently received an Associate degree in Applied Science

Dennis Apostolou

from the DeVry Technical Institute in Chicago. Apostolou completed 108 weeks study in Electronics.

Where The Boys Are

Sp 4 Forrest Stahmer has been transferred to the Personnel Department of the Transportation School at Fort Eustis, Virginia. He was formerly stationed at Fort Knox, Kentucky.

Sp 4 Stahmer is the son of Mr. and Mrs. Fred Stahmer, Antioch.

USS JOHN WILLIS (DE-1027, Aug. 23—Machinist's Mate Fireman Apprentice George P. Wilson, USN, son of Mr. and Mrs. Bert H. Wilson of Route 2, Antioch, serving aboard the destroyer escort USS John Willis, is participating in Unitas VI, an annual Anti-Submarine Warfare Exercise, conducted by nine Western Hemisphere nations.

The purpose of the annual operation is to provide mutual training in anti-submarine warfare tactics and operations.

When the operation is complete it will have involved 56 ships from the navies of Argentina, Brazil, Chile, Colombia, Ecuador, Peru, Uruguay, Venezuela and the United States.

ATTENDS CONVENTION OF MUSIC FRATERNITY

Miss Judith Turner, Rt. 2, Box 132, Antioch, was a delegate to the triennial conference of Delta Omicron International Music Fraternity for women, convening at Bedford, Pa., from August 23 to 27.

Miss Turner was a delegate from Sigma Chapter, Illinois Wesleyan University at Bloomington.

WALTER HILLS HOME FROM HOSPITAL

Walter K. Hills, who underwent surgery recently at Victory Memorial Hospital, Vaukegan, is convalescing at his home.

lace and carried a bouquet of phalaenopsis orchids surrounded by stephanotis and ivy. Her attendants wore aqua linen gowns with scoop necklines, cap sleeves and empire bodices defined with moss green velvet banding. The A-line floor length skirts featured concentrated back fullness. Their headpieces were matching linen Dior bows and they carried bouquets of daisies and ivy.

Mrs. Sexauer, mother of the bride, chose a mint green silk shantung sheath dress with matching jacket and accessories. The groom's mother wore an emerald green dress, matching accessories and both wore cor-sages of white orchids.

A reception following the ceremony was held at the Iroquois Club at Conneaut Lake, Pa., featuring a buffet supper. Mrs. Eva Carson, of Chicago, had charge of the guest book.

Among the many out of town guests were Mr. and Mrs. Loren D. Sexauer of Antioch, grandparents of the bride.

Mr. and Mrs. Harpham left for a wedding trip in the Smoky Mountains. They will reside in Watertown, N. Y., where Mr. Harpham will enter the United States Air Force as second lieutenant September 1. Mrs. Harpham will teach elementary school. Both are June graduates of DePauw University in Greencastle, Ind.

Betzel's Celebrate Golden Anniversary In August

Mr. and Mrs. Edward Betzel

Mr. and Mrs. Edward C. Betzel of Voltz Lake celebrated their golden wedding anniversary on Sunday, August 22. Eighty relatives and friends from five states spent the afternoon with them in an open house held at Faith Evangelical Lutheran Church in Antioch. A smorgasbord meal climaxed the celebration.

Mr. Betzel is the fifth in his family of eight brothers and sisters who married, to celebrate a fiftieth anniversary. Mrs. Edith Hagen, who was Mrs. Betzel's bridal attendant 50 years ago, was flown here for the celebration from Davenport, Iowa, by a friend in a private plane, and she enjoyed a ten-day visit with the Betzels.

Also among the out-of-town guests were Gustav Johnson, Mrs. Betzel's brother, from Cleveland, Ohio; Mrs. William Thiemann of Roselle, Mr. Betzel's 84-year-old sister, the only living member of his family; a grand-nephew, Clarence Thiemann, and family of Dallas, Texas; and the Betzel's former pastor at Faith,

the Rev. and Mrs. M. Otterstatter, now of Milwaukee. Other guests came from Chicago, Bensenville, Roselle, Elgin, and Antioch, Voltz Lake and Silver Lake. None of Mrs. Betzel's many relatives in Sweden was able to come for the festivities.

Agda Johanson and Edward Betzel were married on August 19, 1915, in Chicago, where they made their home. They built a summer cottage at Voltz Lake in 1926 and spent vacations and weekends in the Antioch vicinity for many years. When Mr. Betzel retired from his position as yardmaster for the Milwaukee Railroad in 1954, after 39½ years of service, the Betzels moved permanently to Voltz Lake. In recent years they have spent the winter months in El Paso, Texas.

The Betzels' sister-in-law, Mrs. Martin Betzel, honored the golden wedding couple with a celebration dinner for El Paso relatives and friends in May, before Mr. and Mrs. Betzel returned to Antioch for the summer.

Millburn News

By Mrs. Frank Edwards

Regular services at Millburn Congregational church Sunday, Sept. 5, at 10 a.m. Mr. Pruth McFarlin, concert tenor, was guest soloist at the Sunday morning service. Gary Fee, a student at Grayslake high school, played the trumpet during the offertory.

125th Anniversary

The banquet for the 125th anniversary is scheduled for 7 p.m. Sept. 11 at the Millburn School. Service Sunday morning, Sept. 12, will be at 11 o'clock both Sunday school and church. The Rev. Melvin Frank, pastor of the First Congregational church of LaCrosse, Wis., will be the guest speaker.

Pot-luck dinner will be served after the Sunday morning service.

Ladies Aid "Guest Day" at the church Thursday, Sept. 2, at 1 p.m. The program will be Hawaiian pictures.

The Devotional Study Group met Thursday at the home of Vera Ryckman with 13 members present. The next meeting will be held at the home of Mrs. Bert Doe little at 9 a.m. Thursday, Sept. 9.

Mr. and Mrs. William Paulsen and family returned home Friday after a two weeks' vacation at Lake Ripley, Cambridge, Wis.

Mr. and Mrs. Meril Lohmeyer of Lafayette, Ind., spent a few days with Mrs. Harley Clark.

Mrs. Elsa Lutz of Chicago is spending some time at the home of Mrs. George Butler.

Mr. and Mrs. Clarence Hauser and daughter of Paris Corners, Wis., and Mr. and Mrs. Elmer Hauser and family spent Sunday evening at the home of Mrs. Frank Hauser.

Troop 86 Has Honors Court

Richard Warsing of Troop 86, of the Boy Scouts, Channel Lake, received Scouting's highest award, the Eagle Scout award, at a Court of Honor last Saturday night, August 28.

The Troop's Seventh Annual Court of Honor and Indian Pageant was held at the club grounds of the Northern Illinois Conservation Club.

The presentation was made by Scoutmaster Ray Atwood and Assistant Scoutmasters Bill Young and Roger Eberman in an impressive setting, with a background of fire pots, Indian costumes and a huge bonfire.

Mrs. John Warsing, who pinned the award on her son, received the Eagle Scout Mother's Award. The event had added meaning for Richard because his father earned the Eagle award 29 years ago.

Richard joined Troop 86 in March of 1962 and worked actively in the troop for 3½ years. During this time he earned 21 merit badges; served in various Troop offices including that of Senior Patrol leader, the highest boy-elected Troop office. He attended Camp Ma-ka-jaw-an two years, serving as a West Camp life-guard one year, and participated in numerous District and Council events.

Other awards presented at the Court of Honor were 1st Class awards to Charles Waters, James Waters and Mike Clark and a 2nd Class award to Bill Wozniak.

W.S.C.S.

Wesley Evening Circle of the Antioch Methodist Church will hold its first meeting of the season at 8 o'clock September 9, at the home of Mrs. Luella Anderson, 585 Highland Ave. Mrs. Art Meierdick will be co-hostess.

Any woman who is a member or a friend of the church is invited to attend.

W.S.C.S. TO HOLD MEETING WEDNESDAY

The Woman's Society of Christian Service of the Antioch Methodist Church will hold its first Fall meeting on Wednesday, Sept. 8, at 12:30 p.m.

Dessert luncheon will be served by the members of the Gertrude Circle, of which Mrs. Alonzo Runyard and Mrs. O. W. Turner are chairmen.

Mrs. George Good and Mrs. Donald Cobb will have charge of the Worship Service.

Mrs. Charles Watson, program chairman, represented the Antioch Methodist Church at a seminar held at North Central College during the summer. A report of the proceedings will be given.

A Litany for Christian Unity will be read by Mrs. Elmer Eberman and Mrs. Robert Bemis.

ON HONOR ROLL AT U. OF MISSOURI

Twenty-six students are on the Dean's honor roll at the University of Missouri with a score average ranging from 3.9 to 4.00. Robert Allen Parker, Rt. 4, Antioch, is one of the honor students.

ENTERTAINS GUESTS FROM OREGON, ILL.

Mrs. Delos Andrew of Oregon, Illinois, spent the past two weeks visiting her sister, Mrs. L. V. Sittler. Other guests at the Sittler home were Mr. and Mrs. William Andrew and family, also of Oregon.

HOSPITAL NOTES

Jim Fields, Antioch, is a patient in Victory Memorial Hospital.

VISIT PARENTS HERE

Mr. and Mrs. Richard Carter and daughters of Dayton, Ohio, left Antioch Saturday after spending a week with Mrs. Carter's parents, Mr. and Mrs. N. E. Sibley at their Bluff Lake home.

MOVE TO KANSAS

Mr. and Mrs. Bruce Stahmer and family left Antioch Monday for their new home in Emporia, Kansas. Bruce will attend Emporia State College where he expects to receive his master's degree in a year.

COCOANUT-PECAN FROSTING

Combine 1 cup evaporated milk, 1 cup sugar, 3 egg yolks, ¼-pound butter and 1 teaspoon vanilla in a saucepan. Cook and stir over medium heat until mixture thickens—about 12 minutes. Add about 1 1/3 cups coconut and 1 cup chopped pecans. Beat until frosting is cool and thick enough to spread. Makes 2 2/3 cups.

The Antioch News

THE ANTIOCH NEWS—4 THURSDAY, SEPTEMBER 2, 1965

Graduates From Banking School

John B. Fields, State Bank of Antioch, was among the 397 men from 32 states and the District of Columbia who were graduated on August 27 from the School of Banking at the University of Wisconsin in Madison.

The graduate banking school is one of the many schools, short courses and conferences sponsored annually at the U. of Wisconsin as educational services for all citizens.

Free Check-Ups At Prevention Clinic Catch Cancer Early

Cancer detection examinations at the Cancer Prevention Center of Chicago were increased by almost 10% during the first six months of 1965. From January through June, a total of 3,745 persons went through the center's cancer detection clinic at 17 West Huron Street, on Chicago's near north side. Ten of the examinees undergoing cancer check-ups came from the Antioch area.

Commenting on the rise in examinations, Manuel J. Se-gall, executive secretary of the center, said, "that although more people are realizing the medical value of cancer detection examinations, a step-up in examinations was noted following the deaths from cancer of several prominent persons including Albert Cardinal Meyer, entertainer Nat King Cole, and news commentator Edward R. Murrow."

The center is a not-for-profit organization dedicated to early detection of cancer. Medical director of the cen-

ter is Dr. Caesar Portes. Since its founding in 1943, it has fostered a program of public education seeking to alert people to the benefits of periodic physical examinations as a weapon against cancer. As part of this program, the center conducts thorough physical examinations of apparently well persons in an effort to discover cancer in its very early stages when medical treatment can be more effective.

Another advantage of the periodic physical examinations is discovering other conditions needing medical attention. Over 80% of the examinees are shown to need medical care for a variety of other illnesses. Among these are diabetes, kidney and heart diseases, high blood pressure and tuberculosis.

The World Health Organization reports that 75% of human cancers are potentially early enough and treated promptly. This year 183,000 Americans will be saved from cancer because of early detection. Death will come to 92,000 cancer patients because detection and treatment came too late.

Music Center Ready For Fall Program

The Music Center of Lake County will begin its Fall term on Tuesday, September 24. Instruction will be offered on all orchestral instruments including piano, voice and guitar. The School will hold classes in Art, Drama and Dance, as well as a pre-school and adult program. Students four years of age and older will be accepted for study.

In its first year of existence the Music Center's enrollment averaged 250 stu-

dents. The School's new Director, Robert Christensen, feels, because of the recent inquiries and responses, that enrollment will reach 300 students by the School's opening date. The Music Center, located in Lilac Cottage, Bowen Park, offers an ideal setting for the study of the Arts.

Registrations for the Fall term are now being accepted. The School's offices are open Tuesday through Friday, 11 a.m. to 5 p.m., and Saturday, 11 a.m. to 4 p.m. Persons wishing further information should phone the School, 244-4270.

Highway Use Tax Due August 31

The Internal Revenue Service reminds owners of trucks and buses that the Federal highway use tax is due on August 31, 1965.

Revenues collected go into a highway trust fund, created by Congress, to help finance the government's interstate highway trust fund, created by Congress, to help finance the government's interstate highway building program.

In addition to the Federal highway use tax which affects truck and bus owners, revenues from taxes on motor fuels, tires, inner tubes, retread rubber and other items are being funneled into the highway fund.

Highway use taxes on trucks and buses range from \$81 to \$180 annually for each vehicle subject to the tax. All trucks operating on public highways are subject to this tax if they meet certain unloaded weight and axle specifications and are registered by state law.

Federal tax return Form 2290, necessary for filing, contains a listing of the specific tax to be paid on trucks according to the month the vehicle was put in operation. Form 2290 also describes the tax to be paid by bus owners.

For buses, the tax is based on unloaded weight of the bus, plus 150 pounds for each unit of seating capacity. This applies primarily to operators of intercity buses. Local transit systems are exempt from the tax under certain conditions. Details and information are available at local Internal Revenue offices.

Tax forms 2290 were mailed in June to those who filed highway tax returns last year. Copies of this form, as well as a helpful booklet on the tax, Publication No. 349, can be obtained from local Revenue offices, and from state motor bureau agencies.

Tax returns for the year beginning July 1, 1965 must be filed by August 31, 1965 for every taxable vehicle in highway use in July of this year. The tax may be paid in quarterly installments.

Truck and bus owners should also remember that vehicles acquired after they have filed their 1965 return are subject to the highway use tax this year. In these cases, a tax return (Form 2290) must be filed by the last day of the month following the month a truck is put into highway use.

Sikeston, Mo., Standard: "Don't tackle the job of shoveling snow with the vigor of a teen-ager unless you are a teen-ager. A shovel-full of fluffy snow weighs about four pounds. Shoveling ten loads per minute is equivalent to walking up three flights of stairs in the same time. Wet snow is even heavier and makes the same work equivalent to climbing to the seventh floor in one minute."

Reports On Conservation Workshop

Sharon Carlson, a sophomore at Antioch High School, was sent to Conservation workshop by the NICC and reported to the Club on her activities while there. Following is her report:

I would like to thank the members of the Northern Illinois Conservation Club for being so generous in sending me to the Conservation Workshop at Northern Illinois University. I found it very interesting and enjoyed it very much.

All classes were held in Reavis Hall, room 206. Our group was housed in Lincoln Residence Hall.

We took field trips to the DeKalb Sewage Disposal and the Sniessippi Forest. We also saw a fish stocking demonstration at the College Lagoon.

On Monday we learned about the many different resources, including water, soil and land, forests, dry grasslands, wildlife, recreation, marine resources, and minerals.

On Tuesday we listened to a lecture about soil structure, fertility and types.

Wednesday we heard about water pollution and how it will affect us in the future. We also talked about desalination of sea water, which is at this time quite expensive.

Minerals was our topic on Thursday. It was said that they are an exhaustible resource and must be used wisely.

Friday we talked about wildlife and their role in conservation.

Friday night the parents and students were given a summary of the week by Dr. Ruben L. Parsons, author of the Textbook "Conserving American Resources." He stressed the rate at which water is being polluted and the inevitable result.

However, it wasn't all work and no play. The recreation facilities of the University were available and many of us made use of them in the evenings.

Thank you very much, Sharon Carlson

Some Schools Still Substandard, Says Taxpayers Fed.

The rising cost of education has become a matter of serious concern to students of State finance in Illinois, according to the Taxpayers Federation of Illinois. The total expenditure for educational purposes in Illinois has grown from 20.7% of a 2.3 billion dollar budget for the 70th biennium (1957-59) to an estimated 28% of a 4.4 billion dollar budget for the last biennium (1965-67), the largest expenditure for any single item in the budget.

Yet the quality of education in many of our Illinois school districts is substandard because the districts are too small or lack the proper curriculum, Maurice W. Scott, Executive Secretary of the Federation points out.

There are 56 elementary districts in the state operating with less than 50 students and 145 with less than 100. Some 105 high schools are operating with less than 150 students.

The Federation recommends that the State, as well as the local school districts, should conduct continuing and extensive research to find ways of increasing the efficiency of school operations and of measuring the effectiveness of existing educational programs. In this regard, the Federation expresses the hope that the Governor's Task Force on Education will prove of value for improving elementary and secondary schools. The Master Plan for Higher Education is expected to improve the operation of Illinois colleges and universities.

\$150,000,000 each year is spent in the United States and on compensation for eye injuries with more than one day's disability, according to the Illinois Society for the Prevention of Blindness.

"Strangest Of All" Aired Locally

Author Frank Edwards, who cut his journalistic teeth in reporting Floyd Collins' entrapment in a Kentucky cave in 1925, has translated his popular books, "Strange People" and "Stranger Than Science," into a series of radio programs. Locally, the five-minute feature, entitled "Strangest of All," has been heard on WKRS every Monday through Friday at 11:35 a.m., since July 26.

In his many years of covering news events, Edwards has gathered — and documented — literally thousands of astonishing stories around the world, most of them "swept under the carpet of history," he says, and unrevealed until now. In consideration of the current high level of interest in outer space, the author reports plans to cover numerous aspects of the baffling mysteries of space.

Edwards was born in Mattoon, Illinois, in 1908, and now resides in Indianapolis, but divides his time among Washington, D. C., where he maintains an office, and New York and Hollywood, where he is in demand for network guest appearances.

According to Mr. A. F. Sorenson, manager of WKRS, "Frank's stories make for the most fascinating kind of listening. They defy explanation and would be totally unbelievable if he were not able to offer documentation of their truth."

Labor Troubles Slow Rise In Employment

The month of July showed a continuation of the upturn in employment, according to statistics from the U. S. Labor Department's Bureau of Labor statistics.

After allowance for seasonal movements, total payroll employment in July rose by 170,000. Factory employment for the first time outstripped the previous record established in World War II.

The job situation in manufacturing continued to be favorable in July, according to the Bureau of Labor. The improvement was concentrated in the five major metals and metal-using industries. Primary metals and machinery both registered seasonally adjusted increases in excess of 20,000; fabricated metal, transportation equipment, and electrical equipment were up by 10,000 to 15,000.

In contract construction, employment fell below the usual June-to-July advance. Labor disputes accounted for the lack of advance. Trade and miscellaneous services recorded seasonally adjusted increases of 40,000 and 60,000 respectively between June and July.

Total unemployment fell to 3.6 million in July, moving the unemployment rate down from 4.7 to 4.5 percent, its lowest level since October 1957. The greatest improvement in jobless rates were for teenagers, young men aged 20-24, and adult women.

4 James Students From Antioch High

Six hundred and fourteen freshmen have been accepted into the University of Illinois Edmund J. James honors program for superior undergraduate students. Prof. Richard R. Marsh, acting honors program director, has announced.

Four Antioch students are among the James Honor students. They are Kathleen Marie Albrecht, Rte. 5; James Frederick Edwards, 600 Parkway; James Robert Knirsch, Rte. 1; and James Allen Steffenburg, 633 Parkway.

Designation as a James Scholar is the highest academic honor that can be conferred on a freshman entering Illinois. James Scholars are chosen on the basis of academic records, tests and recommendations of high school principals, guidance counselors and teachers.

James Scholars are given an opportunity to work harder and learn more by enrolling in special courses and sections designed to use full academic capabilities. They are permitted to pre-register, make special adjustments in programs to fit their exceptional abilities, have special honors advisers and use special study rooms in the James Center.

James Scholars must maintain a "B" average in all academic study.

Prohibit Use Of Benzolate Of Soda

The use of benzolate in meat and poultry products is no longer permitted. Robert M. Schneider, director of the Illinois Department of Agriculture, said last week.

A law prohibiting the use of benzolate of soda, a preservative, in meats and poultry was passed by the 74th General Assembly and signed into law Monday, Aug. 2, by Governor Otto Kerner.

Previous to the enactment of this legislation, the use of benzolate of soda was limited to one-tenth of one percent by volume and the merchant offering products so treated was required to advertise the fact to the purchaser at the point and time of purchase.

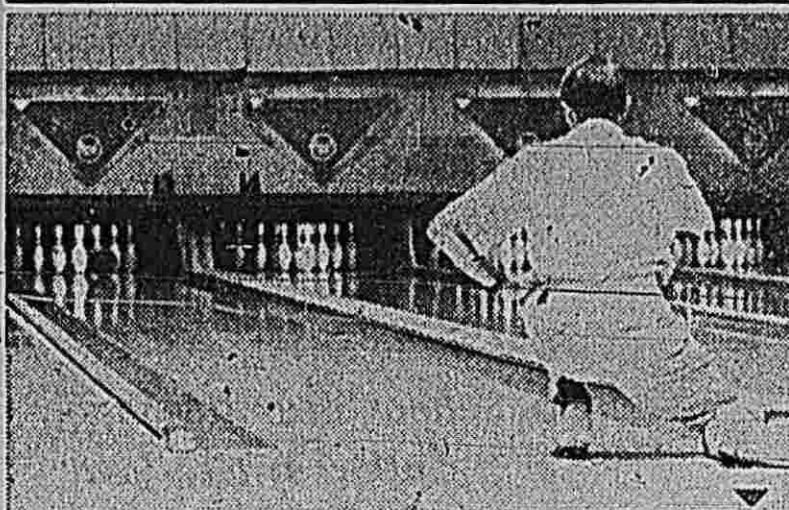

Under provisions of the new law now in effect, no use of benzolate of soda is permitted in meats and meat products.

Papa Zoo and Mamma Zoo Were kept up very late. Doctor said 'twas caused by stuff. That little Ben Zoo ate.

Such common and useful items as household ammonia and laundry bleaches can cause burns or other injuries if misused. The labels on these products, as required by Federal law, bear warnings and other information to help you use them safely. Remember, too, that ammonia and bleaches should not be mixed.

BOWLING WITH THE STARS

by Pat Patterson AMF Staff of Champions

Wearing Apparel

Before you can get into the actual mechanics of bowling, there are some prerequisites which are necessary to your game. The first concerns wearing apparel.

Bowling does not require special wearing apparel as do other sports. However, the game can be much more enjoyable if your clothing is comfortable, and permits the necessary freedom of motion.

Men seldom have much of a problem in their wearing apparel. Their trousers are usually conducive to freedom of leg movement, and as long as their shirts do not bind in the shoulder and arm area, they are considered "action free".

Women, however, are more apt to violate the rules of

wearing apparel for bowling and should be more selective in choosing proper attire. Too often the novice will attempt to bowl in either too tight a skirt, or too full, i.e., a ballerina type. The ladies should try to outfit themselves with a flared or semi-flared skirt which will allow a full stride and ample leg movement.

The woman's blouse should have a capped or short sleeve with plenty of room in the back to allow for natural arm swing, even above the eye level.

Crack Down On Draft Dodging 18-Year-Olds

A few youths are failing to register with the draft within five days after their 18th birthday as required by Federal Law, according to John H. Hammack, State Director of Selective Service for Illinois.

Such men are usually reported to draft authorities by persons with knowledge of their violation of the law. They are then registered by a local board after which the board may declare them delinquent for failure to register on time and order them for immediate induction into the Armed Forces.

Any person having knowledge of an unregistered youth is urged to report his name and address direct to Illinois Selective Service Headquarters, 405 East Washington Street, Springfield, Illinois 62701.

If a youth registers promptly at age 18 he will avoid being drafted as a delinquent ahead of his regular turn.

JOIN THE CROWD

Pay By Check...

Quick! Easy! Safe!

Open a checking account this week and discover what you've been missing. Save time, save gas, save paying for bus fares. Enjoy the "checking way" when paying those bills.

Quick — Dropping your check in the mail eliminates waiting in line. Let your postman make those payments. Save time... bank by check!

Easy — when paying by check, you save gasoline, wear-and-tear on your car. Checks are the sensible way to budget.

Safe — Don't risk theft or loss of your money. Pay your bills always by check. Your stub and canceled check is proof of payment.

More and more people now pay bills with a bank checking account.

Sermon at Christi'n Science Churches

The concept of man as made "in the image of God" will be presented in the Bible Lesson-Sermon at all Christian Science services this Sunday. The subject is "Man."

The following passage from the Christian Science textbook by Mary Baker Eddy will be included: "There is but one creator and one creation. This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite Mind and forever reflected. These ideas range from the infinitesimal to infinity, and the highest ideas are the sons and daughters of God" (Science and Health with Key to the Scriptures, p. 502).

Sequoit Pigskin Squad Is Question Mark

The Antioch Sequoits began preparations for the annual fall football game last Wednesday with only seven returning lettermen. It looks like a season of question marks but could turn into one of surprises, too.

Thirty-three boys turned out for varsity positions Wednesday compared to over 40 last year. From a couple of brief glimpses of their practice sessions this past week, it looks as if the 33 came to play football.

Tom Blackman, 185 lb. senior, will take over the quarterbacking duties from graduated Wally Hemming. Tom lacks experience but turned in a real fine performance in the last game of the season last year.

Tyrone Walls at 200 lbs. and Dave Fabry at 180, both lettermen, will be the running backs and could be candidates for league honors.

Mike Sterbenz, veteran end from last year will also be back for duty. Bolstering the line will be returning lettermen Bruce Bonner, Frank Dowling, Don Mason and Bill Myer.

"We're going to have to depend a great deal on our juniors," Coach Roy Nelson indicated. "If they come through for us we could come up with some surprises this year."

"Jim Litchfield, 140 lbs., looks good at flanker in early practices and Glen Oftedal, 150 lbs., Tim Osmond at 148 and Allan Osterlund at 164 lbs. could help us a lot, too."

Other juniors expected to see action are Fred Gass, Wayne Hansen, Steve Lohr, Bill Sheldon and Don Zeman.

The Sequoits will kick off the season Friday night, September 17, against Salem on the Falcons' field.

It's a rebuilding year for the Falcons as losses due to graduation, through moving and other reasons have left some big gaps in the Falcon hopes.

Game time is set for 7:30 p.m.

THURSDAY, SEPTEMBER 2, 1965 THE ANTIOCH NEWS 7

Flip Gives Ansell Speedway Victory

Bill Ansell, of the three racing Ansell brothers, stopped John Reimer's Waukegan Speedway modified stock car feature victory string Sunday night at seven by piling up nearly a half lap lead over the Caledonia speedster at the end of 25 laps. The three Anells all drove through showers as they traveled from their Milwaukee homes, but they turned out to be the big winners as they swept one heat race—Homer, Bill and Fran in that order, and then Bill breezed to victory in the feature.

The feature race had to be halted on the second lap when Lauren Lawrence and Joel Reimer locked wheels as the two raced out of the fourth turn. Joel is John Reimer's younger brother who just turned 21 years old. Both slammed into the home stretch wall, both jumped into the air, both partially climbed the wall, and then Reimer's car slipped over on its top. Neither was injured.

In this hair-raising experience, but both retired for the evening.

Bill Ansell raced into the lead on the restart, while a hot battle for second developed among Claude Potter, John Reimer, Russ Reynolds, Roger Otto, and Jack Radke. Reynolds and Radke spun on the eleventh lap. Reimer finally slipped into second on the twentieth lap, only to be slowed by a spectacular near-accident on the 21st circuit that saw Reynolds set a new two-wheel balancing distance record and Radke spirited into the air. Both landed safely and continued. At the checkered flag, it was Bill Ansell by nearly half a lap over runners-up Reimer, Potter and Otto.

Pete Brewer and Ken Becker tangled in the fourth lap of the late model feature while battling for second spot. They scattered officials as Becker toppled the concrete starter's stand. Jim Cossman, who earlier dodged rain-drops to post the fastest qualifying time, passed Norm Zenko with five laps to go and out-raced Dennis Burgan to the finish line. After this weekend's races, Burgan still holds a 31 point lead over Cossman in the tight point race.

The Waukegan Speedway intends to race on both Saturday and Sunday nights, into October as weather permits. Next Sunday will be the summer championship races for the modified stock cars with a fifty lap feature scheduled and in addition, there will be a jalopy roll-over contest.

Summary, Sunday Night Modified Stock Cars

Fastest Qualifier (16.28) John Reimer, Caledonia.

Trophy Dash (1:40.4)—Bob Anzinger, Antioch; Harold Wade, Waukegan; Roger Otto, Burlington.

First Heat (2:54.0)—Homer Ansell, Milwaukee; Bill Ansell, Fran Ansell.

Second Heat—Claude Potter, Twin Lakes; Russ Reynolds, Racine; Joel Reimer, Greendale.

Third Heat—Roger Otto; Jim Lawrence, Bristol; Jack Radtke, Grayslake.

Feature (6:59.0)—Bill Ansell, John Reimer, Claude Potter, Roger Otto, Jim Lawrence, Fran Ansell, Jim Sullivan, Antioch; Bob Anzinger, Homer Ansell, Ron Crane, Round Lake Park.

Late Model Stock Cars

Fastest Qualifier (17.82)—Jim Cossman, Waukegan.

First Heat (2:35.9)—Norm Zenko, Highland Park; Pete Brewer, Zion; LeRoy Balbino, Round Lake.

Second Heat—Dennis Burgan, Wadsworth; Jim Cossman, Jim Luther, Kenosha.

Feature, 12 laps—Jim Cossman, Dennis Burgan, Harold Gutche, Kenosha; Jim Clark, Lake Villa; Joe Balding, Burlington; Jess Mounce, Mundelein; Bob Cooper, Waukegan.

Rifles Edge Panthers In Pigskin Thriller

A pair of field goals by quarterback Lew Flinn in the second and third quarters and third quarters provided the margin of victory for the Lake County Rifles who edged the host Chicago Panthers by a 39-33 score in a Central States League thriller last Saturday night.

Flinn also added a touchdown, three extra points and tossed touchdown aeriels to Bill Borezik and Ron Curry as the Rifles reported their second consecutive close victory.

The Lake County team will be gunning to maintain its undefeated record on Saturday night when the Elm-

hurst Travelers visit Weiss Field in Waukegan.

Sharing the limelight with Flinn was Leon Rice of the Panthers. Rice scored one touchdown and tossed four touchdown aeriels, two to Dick Greisheim.

The Rifle-Panther battle was a thriller all the way and a brilliant defensive play by John Gavurik, a 6-6, 265 pound giant who formerly played with the Chicago Bears, probably saved the victory for the local club.

With only two minutes of play remaining, the Panthers rested on the Rifle 19-yard stripe on a first down but on the following play Gavurik

bullied through the enemy line and smashed the Panther quarterback to the ground with a bone-jarring tackle. The leather bounced loose and the alert Bob Cook recovered for the invaders who then ran out the clock.

The Rifles commanded 7-6 at the quarter when Waukegan's Covance Cabel scored from the 1-yard line and Flinn added the extra point. Rice tallied the Panther score from the 2-yard stripe.

A 23-19 score prevailed at the intermission in favor of the Rifles, who chalked up two touchdowns on aeriels from Flinn to Bill Borezik and Ron Curry, the latter play covering 85 yards. Flinn also kicked a 27-yard field goal. Rice hit Richard Greisheim and Bob Olesky with 35 and 15-yard TD bombs for the Chicago club.

Each club traded touchdowns in the third period, Cabel crashing over from the 2-yard stripe for the Rifles, and Rice tossing another TD sky pitch to Greisheim, for the hosts who dropped farther behind when Flinn added a 15-yard field goal.

The two teams scored single touchdowns in the final chapter, Flinn going over on a keeper play from the 1-yard marker, and Rich connecting on an 80-yard pass-run play to Cozy Harris.

Defensive stalwarts for the Rifles were Gavurik, Joe Bieck, Rod Miller, Lee Walgren, Al Sonnenberg and Bill Dunn.

DEATH NOTICES

AMALIA ANDERSON

Mrs. Amalia Anderson, 87 years old of Antioch, passed away Wednesday, August 25, at her home on Millburn road at 6:30 a.m., after a five year illness. She was born Sept. 14, 1877 in Chicago where she resided until moving to Antioch Township in 1900. She had lived on the farm where she passed away since 1907.

Amalia Sorensen married Gorm Andersen in Chicago on April 26, 1898 and he passed away March 7, 1939. One son, Peter Andersen, died in 1928.

Survivors are three sons, Gorman, Lake Villa; George, Woodstock, and Alfred, Harvey, Ill.; five daughters, Miss Florence, Miss Agnes and Miss Margaret Andersen, and Mrs. Thomas (Hazel) Exon, all living on the home farm in Antioch, Mrs. Joseph (Esther) Dolan, Broadview, Ill.; 12 grandchildren and 11 great-grandchildren.

Funeral services were held at 1:30 p.m. Friday, Aug. 27, at the Strang Funeral Home in Antioch. Rev. L. H. Messersmith of the Millburn Congregational Church officiated at the services. Interment was in the Millburn Cemetery at Millburn, Ill.

GRACE A. HESS

Mrs. Grace A. Hess, 73 years old of Montello, Wis., passed away at 3:30 Saturday, August 28, in the Oxford Convalescent Home at Oxford, Wis., after a lingering illness. She was born Aug. 24, 1892 in Ladysmith, Wis., and had moved to Forest Park, Ill., where she married Herman Hess on May 23, 1917. She then moved to Antioch in 1940 and to Montello in 1955.

Survivors are her husband, Herman Hess, Sr., Montello; a son, Herman Hess, Jr., Villa; three daughters, Mrs. Franklin (Laura) Crandall, Waukegan; Mrs. Arthur (Edith Mae) Palenske, Antioch; Mrs. Elmer (Betty) Grimm, Chicago; four sisters, Mrs. Lester (Edith) Spencer, Chicago; Mrs. Michael (Florence) Murphy, Chicago; Mrs. Esther Decker, Prichard, Alabama; Mrs. Carl (Helen) Graham, California; seven grandchildren and one great-granddaughter.

Funeral services were held at 1:30 p.m. Monday at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the Antioch Methodist Church officiated at the services. Interment was in Liberty cemetery north of Antioch.

CLARA T. MEYER

Mrs. Clara T. Meyer, 76 years old of 760 N. Main St., Antioch, passed away on Sunday, August 29, at 10:30 p.m. in Victory Memorial Hospital after a lingering illness.

She was born Dec. 15, 1888 in Little Rock, Ark., and moved to Chicago as a young girl. She moved to Camp Lake, Wis., in 1926, and then to Salem, Wis., in 1937, where she and her husband, Fred J. Meyer operated Meyer's Tavern on Hwy. 50 until 1956. She then moved to Antioch in 1956 to make her home. She was preceded in death by her husband, Fred J. Meyer on May 31, 1949.

Survivors are two stepdaughters, Mrs. Margaret Yopp and Mrs. Evelyn Fox, both of Trevor, Wis.; two sisters, Mrs. William (Josephine) Karpen, Silver Lake, Wis., and Mrs. Charles (Mamie) Stearns, Antioch.

Funeral services were held at 1:30 p.m. Wednesday at the Strang Funeral Home in Antioch. Rev. Wilton Anderson of St. Stephen Lutheran Church of Antioch officiated at the service. Interment was in Liberty Cemetery north of Antioch.

HOMER W. CASE

Homer W. Case, 69, of 1103 Chestnut St., Escondido, California, a former resident of Antioch, died suddenly August 24. Mr. Case and his wife were on a fishing trip when he was taken suddenly ill.

Mr. Case was born in Antioch and lived here until about 1935. He then moved to Jackson, Michigan, then to Escondido, Calif., two years ago.

He was a veteran of World War II. He is survived by his wife, Helen; one brother, Leonard, of Antioch; a daughter, Mrs. Gail Gibson of Martin, Mich., and one grandchild.

Military funeral services were held August 28 at the

St. Mark Lutheran Church

Monday and Tuesday of the past week were the days for the meeting of the standing committees of the Illinois District at Starved Rock. Pastor Harold Nelson of St. Mark Lutheran Church attended as a member of the Evangelism committee from the North Chicago Conference.

Prince of Peace Church

The Sisters of the Poor Child Jesus who will be teaching at Prince of Peace School the coming school year are: Mother Frances Theresa, Superior; Sister Clare Antonette, Principal; Sister Mary Michaelena, Sister Mary Thomasina; and Sister Clare Gaudentia.

The 7 a.m. Mass next Sunday will be a Mass of Thanksgiving on the occasion of Mr. and Mrs. Charles Hauber's 20th wedding anniversary.

Bridal Shower

Miss Donna Schwanke, 2302 Glendale Ct., was honored at a bridal shower August 22 at the home of Miss Diane Johnson in Grayslake. Twenty-four friends, relatives and former co-workers attended. She received many lovely and useful gifts.

Miss Schwanke and James Radke plan on being married Sept. 4 at St. Andrew's Episcopal Church in Grayslake at 5 p.m. A reception will be held at the Lindenhurst Civic Center following the ceremony.

Miss Schwanke is the daughter of Mr. and Mrs. Donald Schwanke, 2302 Glendale Ct., and Mr. Radke is the son of Mr. and Mrs. Edward Radke, 137 Cecelia, in Grayslake. They are both graduates of Grayslake High School.

The young couple will live in Lake Villa.

Men's Club Meeting

The Lindenhurst Men's Club will hold their regular monthly meeting Sept. 2 at the Civic Center at 8:15 p.m. All men in Lake Villa Township are invited to join them. Doug Ploss is president.

Trip to St. Louis

Bill Bernau and Jack Boyer drove Jack's grandfather, Mr. Bob Mandel of Fox Lake to St. Louis, Mo., last week to visit relatives.

Palm Mortuary in Escondido

Interment was in the Military Cemetery at San Diego, Calif.

Time to REMODEL YOUR INSURANCE too!

Remember, when you remodel or build on to your home, you increase its value. Be sure to protect your investment by increasing your insurance, too. And even if you've done nothing to your home, rising home values have probably made it worth more today than ever before. To be sure it's adequately insured, call us for a free home protection check-up.

Scott Announces Savings In Office

State Treasurer, William J. Scott has announced that economies in the operation of the State Treasurer's Office will enable him to turn over \$150,000 he saved during the last biennium to the State's General Revenue Fund.

Scott's savings were in addition to the 11 per cent reduction he made in the Treasurer's budget two years ago, when he cut the number of employees in the Treasurer's office more than 30 per cent.

Despite the reductions in expenses, Scott's office processed 3,250,000 more checks and warrants over the last two years than at any time in the history of the Treasurer's Office.

Scott also earned \$38,000,000 on the investment of state funds earmarked for future expenditures. This was more than double the amount earned for any similar period.

The Treasurer's budget for the next two years amounts to \$1,610,150 which is an additional six per cent reduction.

To win the respect of the children is an achievement for the parents these days.

Ford Motor Co.
Lyons-Ryan Ford had the top sales in the Chicago area on new cars for a two-month period, the reason for the award. They'll fly to New York, then board a ship chartered by Ford Co. for this trip. All passengers on the boat will be Ford dealers who have won the awards.

Witness Convention

Over 20,000 were present at the Jehovah's Witness convention at Minneapolis from August 12-15. Robert Willett, presiding minister in the vicinity, headed the local delegation.

Attendance at the convention climbed to 20,893 persons, from 33 states, Canada, Central and South America and Lebanon, on the last day.

THOSE GOOD GUYS THROW IN THEIR WHITE HATS AND RUN UP THE WHITE FLAG OF SURRENDER WITH GREAT YEAR-END DEALS!

Do the good guys ever surrender? You bet! Look for the White Flag being flown by the friendly Dodge Boys. They're ready to meet on your terms to clear out the 65's. NOTICE
Not responsible for any debts incurred by anyone but myself.

N. E. James, Sr.
(10-11-12p)

THANK YOU
We wish to thank the Lake Region Jayettes for their clothing demonstration benefit for the Antioch Little League.

Antioch Little League (10c)

We wish to thank our friends and neighbors for their many acts of kindness and sympathy shown during our recent bereavement. Also thanks to the Antioch Rescue Squad, Dr. Edward Abderholden and Strang's Funeral Home.

Mrs. Henry Homan
Mrs. Glen Siedschlag
Russell and Donald Homan (10p)

THANKS
We wish to express our thanks to our friends and neighbors who helped during our recent bereavement in the loss of my husband. Thanks to the Antioch Rescue Squad, Fr. Henderson and Fr. Hanley, Strang Funeral Home and Dr. Abderholden.

Mrs. Peter Freund and Family (10p)

CARD OF THANKS
I wish to thank my friends for their visits, and the cards sent to me while I was in the hospital.

Walter K. Hills

THANKS
We wish to thank Murrie's Standard Service for the use of facilities for washing cars Saturday, August 28. **ANTIOCH CHEER LEADERS** Mary Kay Motley Janet Sheehan Candy Bental Donna Motley Glenna Burns Ruth Dyer (10p)

COMING SOON!

Polson's DIETARY FOODS

EST. 1926
883 MAIN STREET - ANTIOCH, ILLINOIS

Dieting can be so frustrating unless one can obtain some allowable fill-ins that take the boredom out of a restricted diet. Polson's will have those fill-ins for you, no matter what your problem is. And - we'll have plenty of regular foods too - the kind of foods that give you a better chance of enjoying good health. We'll be open in about a week and we want you to come in and look around. Looking costs nothing and you just might be surprised at what you find.
